

BEAR HUNTING - 2024

FALL BEAR HUNT DATES:
AUG 31-SEPT 7/SEPT 14-21, 2024

DRIVE-IN TROPHY BEAR HUNT

Package 1: HOUSEKEEPING PACKAGE – SEMI GUIDED

Dates Available: AUG 31-SEPT 7TH, 2024: This will be the first week for our Bear Hunt in 2024, so all baits will be fresh for our hunters. If Bear hunters want to bring other guests for fishing, this is ok, as long as we have the accommodations for them. Boats/Motors are available to rent, or guests can bring their own Boats. Maximum 6 Bear Hunters

SEPT 14TH-21ST 2024: These dates are established, so bear hunters can also hunt small game, migratory birds & a wolf hunt, if desired during their bear hunt. The small game hunt primarily is grouse hunting and migratory birds would include ducks and geese. A shotgun would be required for Migratory birds and grouse hunting.

Migratory bird hunting would require hunters to supply decoys if needed, and either supply their own boats/motors etc., or rent from us. Additional Hunting licences for small game, migratory waterfowl permit, and wolf licence would be required if you elect to hunt for that species. Maximum 6 Bear Hunters

Bear hunt arrival/departure is a Saturday to Saturday, with Bear hunting starting on the Sunday.

Rate: \$2195 CANADIAN FUNDS & Tax & Licences. MINIMUM 2 HUNTERS.

Price includes: Private accommodations/2 active bait sites per hunter with tree stands & trail cams setup/bear bait for the duration of the hunt/skinning/quarterming/freezing your bear.

In this package, guests will arrive on Saturday afternoon and will be shown bait sites and start hunting Sunday early in the afternoon. After this point, guests will be responsible for re-baiting and checking the trail camera's, transportation and fuel in their own vehicles to and from the bait sites for hunting, as well as field tracking, gutting, and getting their bear back to the drive in lodge at Ivanhoe Lake. A GPS is essential (preferably with the Ontario topo maps pre-installed) because the most active bear baits may be located between 15 – 40 miles from our drive in lodge, with frequent Y's on unmarked logging roads. Additional assistance for tracking and/or animal retrieval from the woods to the lodge is available on an "as needed" basis at a rate of \$50/guide/ hour.

Deposit: Bear Hunters \$500 each hunter

GENERAL BEAR HUNTING INFORMATION

- Hunters can rent a boat/motor package at a reduced rate for \$150/day or \$600/weekly which includes 1 tank of fuel. If a group of hunters want to rent 1 or more Boats/Motors, we will supply instructions and licences to operate the Boat/Motor to each hunter that wants to operate the equipment. We will also go over maps of the lake, to show you obstructions and hot fishing locations.

- With 2 weeks notice, Air Ivanhoe can organize ground blinds rather than tree stands (depending on the location) for hunters who are unable or prefer not to hunt from a tree stand. All tree stands setup by Air Ivanhoe are metal, double wide (2 man capacity rated at 400 lbs. or more), ladder style tree stands with a safety rail giving hunters very comfortable and extremely safe hunting platforms.

- Air Ivanhoe can accommodate archery, muzzleloader, shotgun, and rifle hunters but like any other big game hunt where there is no distinct archery / rifle season, all hunters are highly recommended to bring a large rifle with multiple shots for their best opportunity to successfully hunt and then locate their trophy.

- While the fall seasons do extend beyond the dates that we have listed, we believe that the dates selected are the absolute best time frames to successfully bait and harvest black bears in our area.

- Our bear hunting packages are all based on 2 or more adults / group, not necessarily 2 or more hunters. You can combine hunters/fisherman and other friends/ family members in your same private cottage. Fishermen and general accommodations rates are located on page 9 of the brochure. Larger groups will be accommodated in larger cottages.

GENERAL INFORMATION FOR ALL HUNTERS

- Hunter orange vests and hats are generally required when hunting.

- To purchase a hunting licence, hunters must provide proof of hunter competency by way of a previous big game hunting licence. We sell hunting & fishing licences and export permits.

- Non Resident Hunters arriving in Canada with firearms will pay a \$25 firearm import fee (for up to 3 firearms /hunter) and \$35 wildlife export fee for a moose, bear, or wolf.

- Groups looking for grouse, rabbit, and waterfowl hunting will be required to purchase those licences, but otherwise will follow fishing /accommodations rates found on pages 7, 9, and 10.

Hunt Cancellation Policy: There is no refund after Jan. 1, 2024 unless it is related to covid restrictions. You can however modify your hunting trip dates (subject to cottage availability) within the same calendar year and use your entire deposit.

Calf Tags if available are added to your Adult Moose package at \$250.00 per calf tag.

Calf Tags are available for groups that are not on an adult moose package with Air Ivanhoe, and pricing would be the 2024 Accommodation Pricing at the Main Lodge/Cottages & a fee for each calf tag supplied of \$300.00.

Calf Tags can only be allocated if renting accommodations from Air Ivanhoe.

GENERAL MOOSE HUNTING INFORMATION

Accommodations: The campsite is yours during the entire valid moose hunting season for your hunt (Archery or Rifle), and you can hunt the entire duration of this season if you choose to do so. Housekeeping cottages at the drive in lodge include all bedding/towels/kitchen supplies/dishes/pots/pans and a propane BBQ outside. Expanded descriptions of the cottages can be found on page 8 & 9 of the brochure.

Hunt Duration: All packages offered at the drive in lodge are based on a 7 Day hunt, starting on a Saturday. Any additional nights prior to (or after) the 7 Day hunt are \$60 per hunter per night (if available).

River Hunts: If you're interested in traditional "water hunting" and more fishing, we also have 2 boat-in cottages up the Ivanhoe River in WMU 31, located approximately 8, 14, and 22 miles by water from our drive in lodge. Guests would need to bring or rent boats to hunt from these locations. These river camps are priced out as 1 VIP Suite or 1 large cottage.

Registered Guests: Registered Guests: All hunters staying at accommodations supplied by Air Ivanhoe Limited, must be registered, and carry documentation that verifies that they are registered guests, and the document also shows where their sleeping accommodations are located. This document must be available to present to MNRF conservation officers on demand

All equipment used for accommodations on site, including trailers will be owned or under a long term lease by Air Ivanhoe, while they are located on our land use permit issued by the MNRF for the purpose of moose hunting.

Deposit and Payment Schedule: Moose hunting deposit is \$2000 per adult moose tag supplied in the package.

MOOSE HUNTING DATES

Wildlife Management Units (WMU)

WMU #23, 30, & 31 **Moose Gun Season opens:**
October 12 - Residents
October 14 - Non-Residents

WMU #26 **Moose Gun Season opens:**
September 14 - Residents

WMU #23, 30 & 31 **Moose Archery Season opens:**
September 21 for Residents
& Non-Residents

Ontario Big Game Party Hunting System (Moose & Bear)

Dates above are estimated at the time of brochure printing and will be officially released in April 2024 by the Ontario Government

Group hunting is permitted in Ontario with several conditions regarding maximum distance and ability to effectively communicate. All group members must purchase a hunting licence for that big game animal, but can fill their tag and continue hunting or harvest an animal, and have a group member use their tag. For moose groups, it means that anyone in the group can harvest a bull or cow (if a group member has these tags), not just the tag holder.
