# EXPLORE AND DISCOVER YOUR ADVENTURE

Dear Friends and Guests,  
The wilderness in Northern Ontario offers guests fresh air, clean water, and abundance of wilderness, wildlife, and excellent fishing. The Theriault family saw the potential of a great wilderness fishing experience in 1953 and we as a family have continually offered an excellent remote fishing package. Our fly in adventures includes flying in one of our DHC-2 De Havilland Beaver aircraft, a fully equipped housekeeping cottage, and a Boat/Motor with fuel for each 2 fisherman. Taking a week off from your fast paced lifestyle will allow you to enjoy the wilderness experience, fishing, company of friends and family, and an overall peaceful relaxing experience. There are very few vacations that you can uncouple from the hustle and bustle of life if desired, but still remain connected if desired.

Your Hosts,  
The Theriault family & Staff

## pages **FLY-IN OUTPOSTS**

**4-7**

Our fly in outpost cottages operate on the remote (no road) lakes in the area of Foley Ontario. The packaging includes the flights in & out, cottages set up for housekeeping, and a Boat/Motor & fuel for each 2 adults. Guests supply their own fishing tackle, food and bedding.

Packaging includes a check in with information on fishing locations, operation of equipment, reviews of necessary items. On flight in, pilots will show you how to operate the equipment, and then on departure of aircraft, your group are responsible to operate all equipment, cook, etc. Outpost cabins have generators, hot/cold water with showers, outhouses (unless noted), all cooking equipment..

## pages **IVANHOE RIVER INN**

### WE SUPPLY:

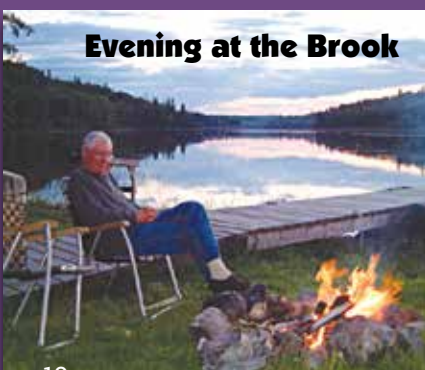

Our cottages include 39" (twin) mattresses in single and bunk bed formats, a propane system including propane refrigeration and a 4 burner stove with oven. Cottage comes equipped with two 1000 watt generators for electric lighting, a deep freeze and the ability to charge your electric devices. Cottages are also equipped with a wood stove for heat, a propane BBQ, and a complete kitchen with all dishes/pots/pans etc. The cottages have no cell phone coverage, but we have incorporated the internet with the Starlink system, so you have the ability to access the internet and use the wifi calling feature on your device. This will give you the ability to call family/friends or the lodge. Adequate Fuel/oil is supplied for the generators under normal usage. Extra propane/tools are included on site, if the need arises to change propane tanks. All cottages have a hot/cold water system with showers, and they have an outhouse bathroom facility.

### GUESTS NEED:

Food, sleeping bag, twin bed sheets, blankets, pillows and cases, axe and small saw, any outdoor cooking tools (large frying pan or turkey fryer), dish soap, toilet paper, paper towel, and personal gear. Guests must be prepared to cut firewood for camp fires or for the cottage woodstove if needed. We recommend at least one lantern for extra lighting, a GPS, compass, multi-tool and small toolbox, and all season clothing. Guests are responsible to disinfect and clean cabin/equipment on arrival, and on their departure. Please bring cleaning supplies, disinfectants and PPE's. You must bring or rent boats, motors, and fuel, (all available at the Ivanhoe River Inn) to access these cottages.

**CONSERVATION FISHING:** The reality of fishing the wilderness with Air Ivanhoe is that 99% of the fish you catch will be released (as you will have more than enough for daily fish fries). As such, we strongly encourage the use of barbless hooks. We ask our customers to release ALL Pike over 32", ALL Walleye over 23", and ALL Smallmouth Bass over 18". These larger fish are the prime breeders for these lakes, and are valuable to maintain the balance of the lake, so catch a trophy on your camera and release it! Please!

### Greetings Ladies n Gents,

So wonderful to wish you a warm and happy season's greetings! Enjoy the winter break, and ask Santa for the latest and greatest hunting & fishing gear, so you will be ready for your fishing/hunting plans in 2024

We hope that you'll put us in your future vacation plans! This past season, with a small staff, we stayed focused on our outpost operation, and that seemed to work for the family and staff. We put feelers out for cooks, waitresses, but with the small community and lack of people wanting to work, the plans to open the restaurant were put on the back burner. The 2024 season, does not look any more promising bringing in suitable staff to operate the restaurant, and fly in lodge, so we will staff with qualified pilots, a maintenance crew, and small housekeeping crew and operate our outpost cabins. This helps the company stay focused on its core business, which is our fly in outpost operation.

### Changes/Additions for the Outpost operation in 2024:

We have joined the modern era by putting a Starlink (WIFI) connection for each outpost cabin! So you can connect with family on WIFI, using your cell phone, and you can message/call us at the Air Ivanhoe offices. With this added security/safety feature in the camps we will not include a mid-week wellness check to your outpost cabin. We have added an option for a mid-week drop for guests for a fee, and we will visit camps that either need maintenance or supplies (Gas/propane/motors/generators etc.). This way our pilots, maintenance crews can focus on the tasks necessary for maintenance and camp equipment. We will still carry a few rental Satellite Phones, but we feel they are now redundant. If a Satellite Phone is desired, please let us know.

We purchased a large number of Solar/12 Volt refrigerators in 2023 and guests loved the new larger capacity fridges, and their consistent operation and ease of use. Our plans are to have at least one 12 Volt/Solar Fridge in all cabins by the end of 2024. With the addition of solar powered appliances, the addition of more solar panels and batteries are in the works.

We have recently purchased 30 additional generators for the camps, so all cabins will have 2 generators for operation. The primary use of the secondary generators is for people that need power to operate their sleep apnea machines, and they also can be used if your primary generator fails.

We have added/ordered 33 new 4 stroke Yamaha outboard motors for spring delivery of 2024. They are quieter, cleaner burning and fuel efficient. The transition to 4 stroke Yamaha's continues.

With the continuing saga of a shortage of staff, we are limiting what products we offer in our bait/tackle store for our guests. We will carry live bait (primarily Night crawlers), and ice. All other supplies like cases of pop/water/food should be brought with you, or can be picked up at the Liquor/Beer Store or General Store in Foleyet. With the addition of deep freezers at all outpost cabins and larger solar fridges, taking extra ice and bait when you go into the bush, should be adequate.

### Fishing/Hunting Licences:

We will continue to operate a fishing/hunting licence sales terminal, and if you are not able to or do not have access to the internet, we will be happy to do all licences necessary for your vacation. All fishing licences for Residents and Non-residents can be purchased online prior to arrival and this would be our preference. Guests can go to: <https://www.ontario.ca/page/get-outdoors-card> or call the 1-800-288-1155 government licence number.

### Currency Exchange (for USA guests)

The premium for US dollars averaged 28-33% in 2023. As of December the US \$ is holding in the 30% + exchange rate. This is excellent for our US based customers and to enjoy the best exchange rate we recommend using a credit card to process your transactions in Canada. Some credit cards charge foreign transaction fees, if this is the case, you might choose an alternate credit card. We follow within 2% of our bank's premium rate, so we can offer you an excellent rate on US dollars also. On another note, with a higher US exchange rate, there is a number of products our company uses that are US origin, and this results in higher operating costs.

# GENERAL INFO

## FOR ALL GUESTS:

1. All rates are quoted in Canadian funds and subject to 13% HST tax. We give a fair rate of exchange for U.S. funds.
2. Fishing and hunting licences are sold online at [www.ontario.ca/page/get-outdoor-card](http://www.ontario.ca/page/get-outdoor-card), or by calling 1 (800) 288-1155. They are also sold at Air Ivanhoe's seaplane office at the Ivanhoe River Inn. Bait, ice, tackle, etc. are also available at the Ivanhoe River Inn.
3. Personal checks accepted only for your deposit. Make checks payable to Air Ivanhoe Limited. All payments at our seaplane base must be cash, travelers checks, money orders, Debit Cards, Visa, MasterCard, American Express or Discover Card. For U.S. customers using a credit card, funds will be converted automatically to Canadian dollars by their credit card provider.
4. In case of a significant fuel price spike, we reserve the right to add a gasoline surcharge.
5. All rates and minimums based on adult fares, contact us or visit our website for child rates.
6. Beer, liquor and limited groceries are available at Foleyet, Ontario, seven miles from our seaplane base.
7. COVID-19/HEALTH POLICY: As of December 2022, there are no protocols, regarding health issues, to come on a vacation with Air Ivanhoe. The US/Canada border is open and all US guests coming to Canada are not required to be vaccinated. The ArriveCan app that was mandated in 2021/2022 is not currently required for entry into Canada. If any of these protocols change in 2024 we will notify the head of the party.
8. The office is open on Friday, Saturday and Sunday at 6:30 a.m. and weekdays at 8:00 a.m.
9. To maintain good fishing, we ask that you fish with barbless hooks and release the large trophies. (Pinch barbs down with pliers)
10. Loss or damage to rented equipment is the guests' responsibility. This includes boats, motors, camp, etc.
11. Cancellation Policy. All deposits of \$300 are refundable up to Dec 31st of that calendar year, if the reservation is for the following year. As an example if you initiate a deposit for the next year, and circumstances change prior to December 31, then a refund is issued. All minimum deposits in place for the following year are non refundable after Dec 31, of the current calendar year.
12. All boats & motors at the primary cottage lake include: Padded swivel boat seats, paddles, landing nets, minnow bucket, anchor with rope, safety kit, adult life vests, and a bailing bucket.
13. We supply in all of our boats an "ADULT LIFE JACKET". These are 100% legal for average sized adults. **If you cannot swim or are not an average size adult, or have children, please bring life vests to fit such passengers.**
14. Pets are accepted at \$100 per pet, per week or \$25 per pet per day, on all Air Ivanhoe properties. Guests are responsible to clean up after their pets, so please bring adequate disposal. We also request that you do not leave a pet unattended in our accommodations, unless in a personal kennel.
15. Air Ivanhoe is located 7 km west of Foleyet Ontario, 2 km south off highway 101 on the paved road (Ivanhoe Lake Road / Ivanhoe Park Road). Look for a vertical log building on lake side.
16. There are no refunds for early departures for any reason. If you are on a remote fly in location, and contact us to leave early, you will be subject to aircraft charter costs. These costs are \$800 + tax per flight. If you call us with a medical emergency, we will initiate an immediate response (weather permitting), and you are responsible to pay for flights.

## FLY-IN OUTPOST & NEMESSENDA LAKE LODGE INFO:

1. Overweight charges are \$1.50 per pound and overloads are flown in at our discretion. On return flights to the seaplane base, the excess food or returnable cans/bottles will be flown out if they can be safely loaded on the aircraft.
2. We have set schedules for flying guests in and out for all fly in cabins. The schedule is for arrival and departure. If you are scheduled to fly at 9AM-11AM, then plan on arriving 1 hour earlier than 9AM for paperwork, weigh in etc. For guests on departure from lake, please ensure your cargo is packed and ready for departure from your lake. This schedule is based on having flying weather and if we do not have legal Visual Flight Rules (VFR) conditions, then a delay should be expected.
3. PETS: Contact the office for flight requirements.

## BOAT-IN RIVER COTTAGES INFORMATION:

1. Available for your occupancy Friday afternoon and departure on following Friday at 10 a.m. Parties need to bring their own sleeping bags, sheets, pillows / pillow cases, and towels.
2. Please let us know how many boat/motor packages are needed for your group.
3. We strongly recommend taking with you, and paying for an extra 15 gallon of fuel for each boat/motor rented from us if you are on a weekly package. Any remaining fuel returned to us at the end of the week will be refunded.
4. If a delivery of supplies/fuel is desired/needed by you, then there is a \$150 delivery fee plus the supplies. If there are issues with our equipment (cabin/outboard motors etc) then we will visit the location at our expense.

## ALL FLY IN & BOAT IN COTTAGE INFORMATION:

1. All garbage is brought out of the bush, so please have an adequate supply of heavy duty garbage bags.
2. We recommend that parties bring at least 1 Coleman lantern for extra lighting in the cabins.
3. You are responsible to leave the cabin, campsite & boats clean and tidy for the next party. Please bring cleaning products & disinfectants. A mop, dust pan, and broom are on site.

## IVANHOE RIVER INN INFORMATION:

1. Accommodations will not be held without a deposit.
2. Guests using the daily inn rates will receive a 10% discount if they stay Sunday-Thursday.
3. We request a quiet period in the units from 11:30 p.m. to 7:00 a.m.
4. All guests are requested to supply their own beach towels.

## NEW NEMEGOSENDA LAKE LODGE INFORMATION:

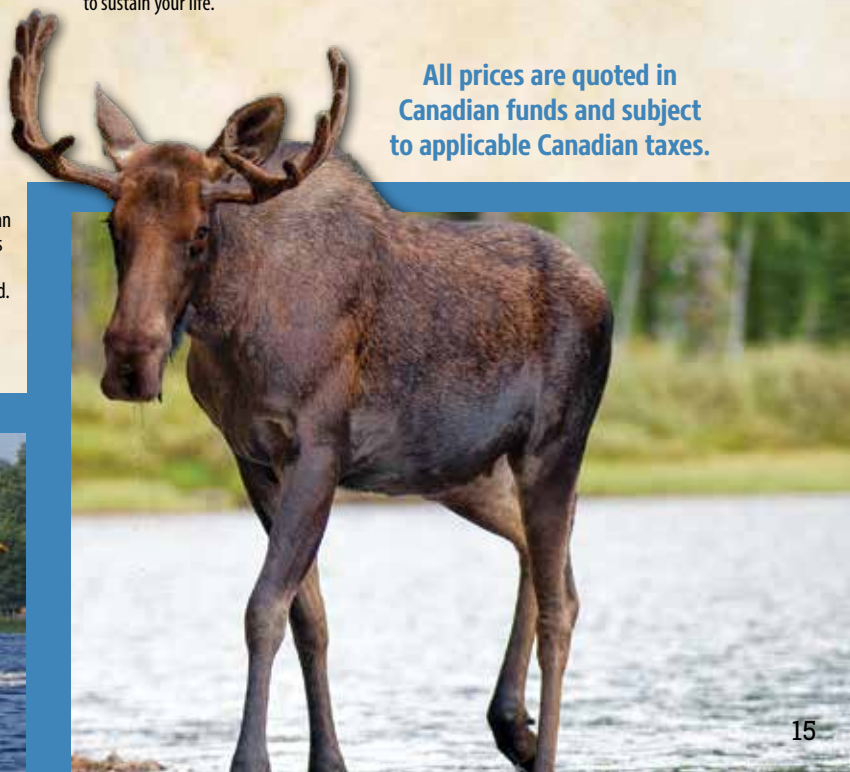

The Theriault family has enjoyed being a part of the Nemegosenda waterway adventures since the 1950's. This season, George & Jeanne are busy restructuring and improving Nemegosenda Lake Lodge and the two outposts, Beachside and Bayview. Nemegosenda Lake Lodge will offer only housekeeping packages for 2024. Beachside and Bayview will be closed for 2024.

## CHILDREN RATES:

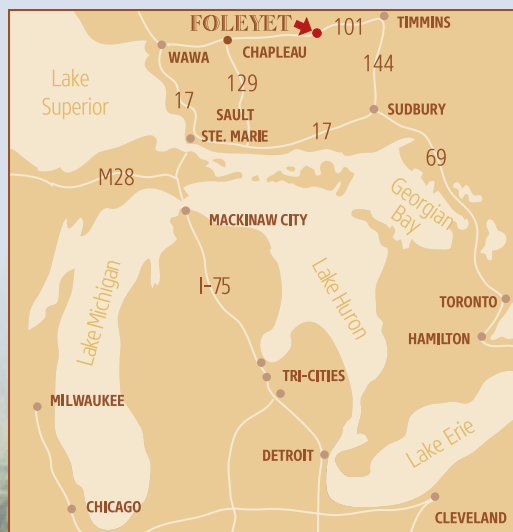

Please contact us for discounts for youth and children rates. Discounts are available on all our packages offered in the brochure.

**NOTE:** Our generators should not be used for any life threatening medical conditions. Guests planning to use CPAP (sleep) machines should notify us ahead of time to organize additional generator fuel (at market price). If guests requires a mechanical device, and the device is 100% necessary to sustain life, then we cannot rent the guest a mechanical device. Please bring your own mechanical equipment to sustain your life.

All prices are quoted in Canadian funds and subject to applicable Canadian taxes.
